

Preschool Jewish Discovery

Free monthly enrichment class open to everyone

Parents with their children ages 2-5 join Rabbi Adam Chalom to explore a Jewish holiday or cultural value along with interactive songs, books and hands-on activities. Children will enjoy a craft project related to the monthly theme, often creating their own ritual object. Parents will receive at-home resources as well. There's time for a snack and for parents to socialize, too.

Older siblings can come at 9:30am for our Sunday School 'Try Out' and join their grade's class (with advance notice, please).
